EXPERIENCE TRAVEL ARTISANS FOR PARMA,
EMILIA-ROMAGNA & ITALY SINCE 2004

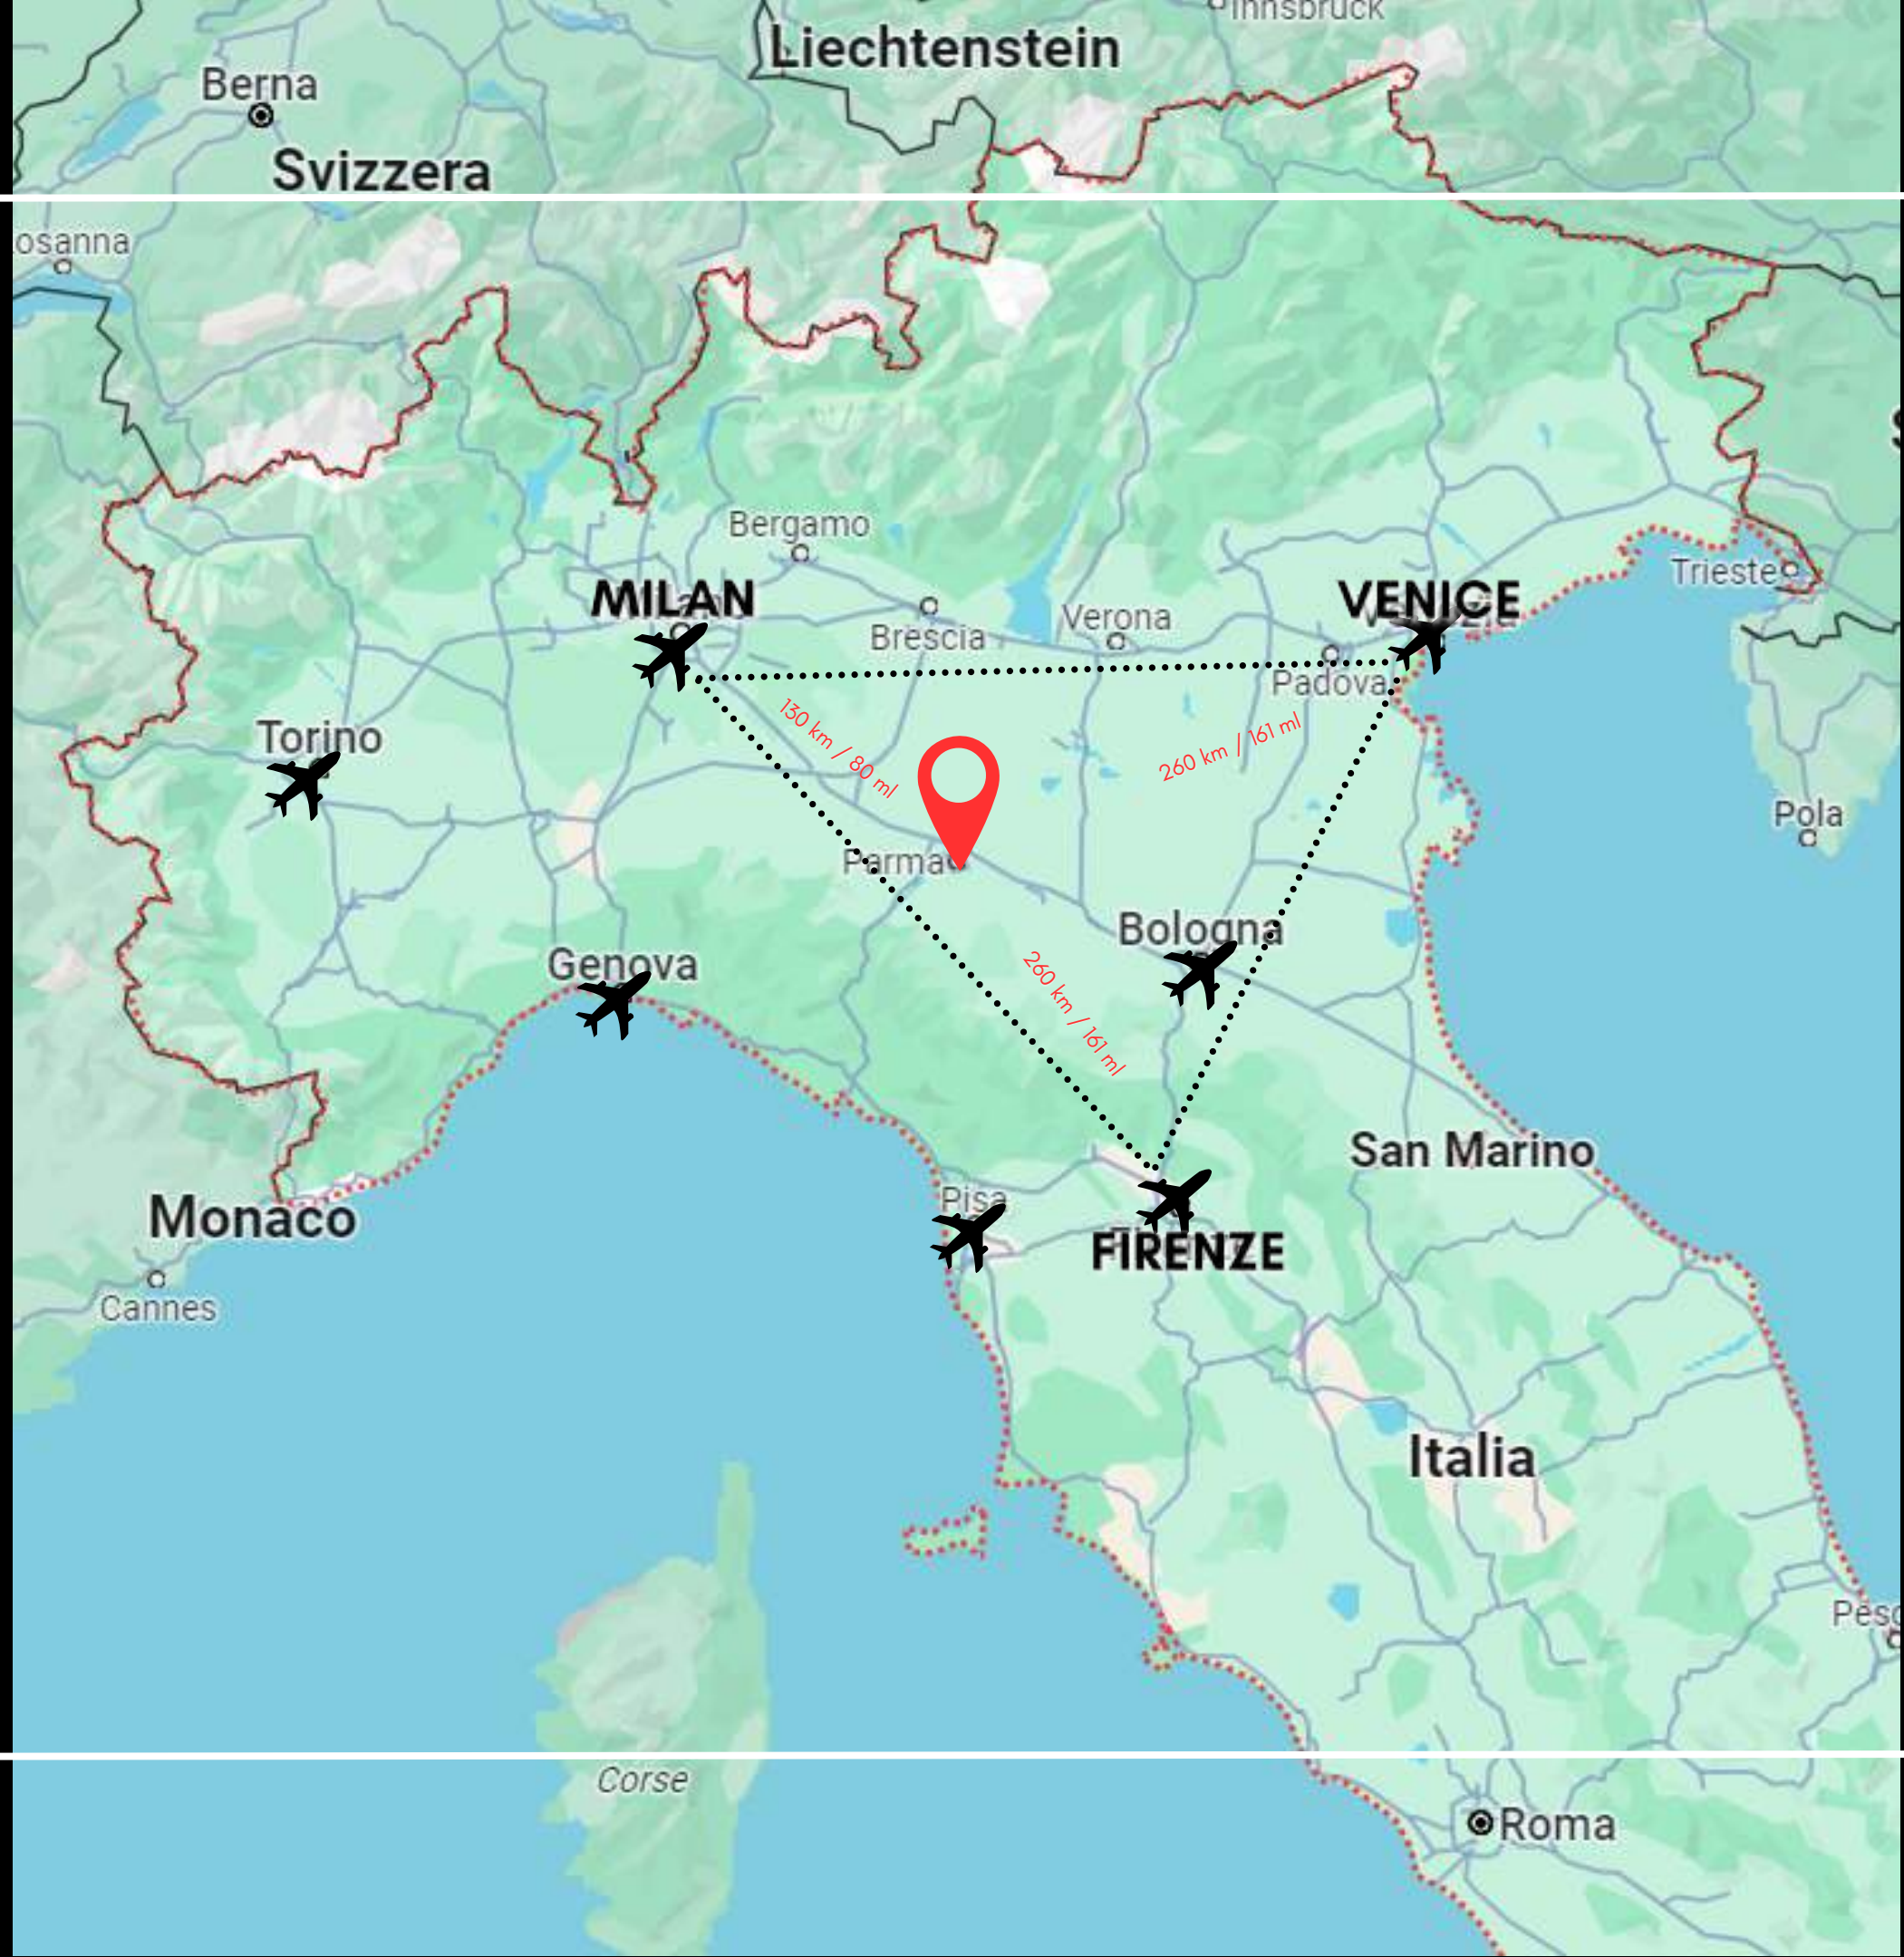

FOOD VALLEY TRAVEL & LEISURE

Incoming Tour Operator & Destination Management Company for Parma, Emilia-Romagna and Italy

Since 2004 we have been designing experiences increasingly focused on our magical territory of Emilia and have become a reference point for international agencies and large local companies.

We are Andrea, Sara, Deborah, Miriam and Giada proud sons of our land and in love with our work of travel artisans: we like the plans well done... but especially the smiles at the end of the tours.

Our biggest challenge of all?
Make sure that our customers do not feel like tourists, but *Parmigiani* for a day, ready to take Parma around Italy and the whole world!
